

Hello,

Thank you for taking the time to sign up for the Go Flat Track School. We are looking forward to our West Coast Swing this year, and since we only make this journey once a year, NOW is your chance to sign up to jump on the flat track bandwagon. We would love to have you participate, so let's start with a "run-down" of the process.

We will be welcoming up to 18 riders during each session for "crash-course" into Flat Tracking. Each session runs from 9am to 1pm and another from 2pm to 6pm. (With the exception of one school in North Battleford) During this time there will be off track, class room style lessons to include how to handle the bike, where to sit, passing, race lines and so much more. You will then be able go on the track to apply what you were taught, all the while having expert level riders teaching and giving pointers for the fastest way around the oval. Please see below for every school in the West Coast Swing.

Ontario

Sault St. Marie
Runway Park, 573 Airport Rd. Sault Ste. Marie P6A 5K6
June 10th 9am-1pm 2pm-6pm

June 30th 9am-1pm 2pm-6pm
July 2nd 9am-1pm 2pm-6pm

* Each course runs from 9am-1pm and another from 2pm-6pm

What's required?

You just need to show up. Simple right? We will provide three different types of bikes. You will have access to a 2017 CRF450, CRF250, as well as CRF150. Unlike other schools, we do not assign anyone to any particular bike. This allows you to try them all and find your comfortable fit. Included in this school we also provide all the necessary gear. We suggest that if you do have your own gear to bring it, you will always be

more comfortable wearing what you own. In any case we can "fill in the gaps" if needed. You are more than welcome to use all our gear, so no need to stress if you don't have your own. We also provide you with the classic flat track steel shoe.

I'm in, now how do I save my spot?

Let us know what date you would like, as well as if you would like the morning session or the afternoon session. Make sure you provide us with the top 3 dates in priority sequence, just to make sure we can fit you in. Also be sure in your response that you include if you have friends interested in the course as well. Tell us how many and include their names. You can call or email at Info@flattrack.com or 1-226-203-2100. Once we have received your confirmation of when you would like to join us, we can go ahead with a deposit to hold your spot.

The deposit is \$40, which can be made several ways.

- Send a cheque to Flat Track Canada Inc. to 6998 Concession 2 Cambridge, ON N3C2V4.
- Send a E-transfer to Info@flattrackcanada.com
- PayPal Transfer sent to Info@flattrackcanada.com with an added service fee of \$2.
- Visa, MasterCard, American Express, and Discover also accepted with an added service fee of \$4.

You're then locked in and ready to go! You will have until 45 days before the scheduled school to cancel and receive your deposit back, any cancellations after will be deemed non-refundable. The remaining balance owing will be \$240 + HST, which can be paid the day of using the same methods as previously described.

Group Rate

If you're interested in hosting your own group of riders we offer a discounted rate. This means you fill a class with a minimum of 12 riders. We can work with any budget. Give us a call and we can work out a group rate for you and your friends, or even a corporate rate for your business. It's a great way to bring your employees together.

Photography

We have a photographer available for the day to take pictures of you and your friends. You will be given a USB full of edited photos by the time you head home. The fee for this is \$30

Save Some Time

You can save some time on the day of by filling out the Go Flat Track form and signing the waiver ahead of time. This helps us streamline the process for you.

You can find the Adult Waiver 18 years + below:
